### Evaluation Questions

---

1. What is the name of our project?
2. Can you explain why the title of the project is appropriate?
3. What three things did we do that could be called outcomes?
4. What was the purpose of this project?
5. Who were the people that would be interested in the outcome of this project and wanted to have a say (stakeholders)?
6. How do we know that the outcomes we have produced meet the need that Tai Wānanga identified?
7. What did you include in your spoken introduction?
8. What were the most important things to consider (attributes) in our recorded speaking?
9. How did your writing add to the picture of you?
10. What were the most important things to consider (attributes) in our saved writing?
11. What did you do for a visual presentation?
12. Why did you choose the presentation method you used for your visual piece?
13. What were the most important things to consider (attributes) in our visual presentation?
14. How have we managed to meet the requirement to digitally store each outcome?
15. What options did we consider for recording the speaking?
16. Why did we use the computer?
17. What did we notice about the sound?
18. What did we do to improve the quality?
19. Tell me why you think that your mihi met the requirements of the stakeholders?
20. What suggestions could you make to improve this project for the next time?

[Colour and rules added to highlight **brief development understandings**.  
Questions 14–20 are primarily an evaluation of outcomes against the brief]
