

BMW Technological Modelling

Achievement Objective	<p>Technological Knowledge - Technological Modelling - Level 3</p> <p><i>Understand that different forms of functional modelling are used to inform decision making in the development of technological possibilities and that prototypes can be used to evaluate the fitness of technological outcomes for further development.</i></p>
Learning Intention	<p>I am learning... that technologists use different forms of technological modelling to get different types of evidence</p>
Activity Instructions	<ol style="list-style-type: none">1. Watch the You Tube clip, "<i>BMW - Tape drawing, clay modeling, Dinoc application</i>"2. Students identify the different forms of technological modelling BMW use in the video3. Class discussion; What evidence or information did each form of modelling give them? Why do they do these different forms of modelling?
